Mr. Mulkey's 5:00 Second Grade Kidstuff Class Information
2019-2020

Dear Second Grade Parent,

My name is Jonathan Mulkey, and I am so excited to be your second grader's Kidstuff teacher at 5:00 this year! I have been with North Hill's children's ministry since 2006 and have taught second graders every year.

My class is highly structured around a U.S. Army theme. I borrowed and adapted this theme from my dad, a retired Army major and Sunday school teacher. Students can earn promotions through the ranks as they accumulate points. They earn points by completing three weekly "missions":

Mission 1: Attend Class (1 point)
Showing up to class earns the student 1 point.

Mission 2: Complete Activity Sheet (2 points)
Each Sunday, a two-sided activity sheet is sent home with students. Students complete this sheet during the week and turn it in the next Sunday. Each side is worth 1 point.

Mission 3: Recite Memory Verse (3-4 points)
Stapled to each activity sheet is a memory verse. Students memorize this verse during the week and recite it the next Sunday. A few verses throughout the year will be worth 4 points.

Ranks/Promotions
Each student starts out as a new recruit (0 points). Each promotion requires the student to earn 10 points. All the ranks and required points are shown at the very end of this handbook. Each week students who have earned enough points for a promotion will receive their new rank badge and get to choose a prize from the prize drawer at the end of class!

2nd Lieutenant
Students who reach this first "officer" rank will receive a laminated certificate and a special additional prize.

Brigadier General ("1-Star" General)
Students who reach this first "general" rank will receive a framed certificate and a special additional prize in addition to their usual promotion prize.

General of the Army ("5-Star" General)
Students who reach this highest rank will receive a special framed certificate and several special additional prizes at the end of the year class party. Their names will also be added to a "plaque" in the classroom that commemorates all the students through the years that have achieved this rank.

Please note that this Army theme/incentive system apply only to my class (5:00). I would urge you to commit the 5:00 time for your child to attend Kidstuff so that they have the continuity of the same teacher, classmates, and class procedures.

Absences
If your child cannot make it to class due to illness or being out of town, simply scan or take a photo of each page of their completed activity sheet and record an audio or video clip of them reciting their memory verse. You can then email these to jhmulkey@gmail.com or text them to (864) 569-4879. You can also download and print the new activity sheet and memory verse for that week from the weekly email or the class website, www.ksgrade2.com. As long as you let me know why your child was absent, I will credit them their attendance point.

Late Work
In order to be fair to students who are diligently completing their activity sheets and memory verses each week, 1 point will be subtracted from any activity sheet or memory verse turned in/recited more than 2 weeks late.

Children with Learning Disabilities
If your child has a learning disability that would prevent them from completing the activity sheets and reciting the memory verses, PLEASE let me know right away so we can sit down and discuss a plan to keep them involved in class while still challenging them at their level. I don't want any child to feel left out!

Bible Lessons
The following is a summary of what we'll be learning each quarter:

The Gospel of John (Quarters 1-3)
We learn about the person and work of Jesus as presented in the Gospel of John. Each week we will watch a clip covering a chapter from *The Gospel of John* (Visual Bible International) and discuss that chapter together. Our purpose in this study is that children would both believe that Jesus is the Christ (Messiah/Savior), the very Son of God, and that they would have spiritual life by placing their faith in Him alone for salvation (John 20:30-31).

The Armor of God (Quarter 4)
We learn about the spiritual armor God has provided for us to live victoriously in spiritual warfare as described in Ephesians 6. We will make each piece of armor as a craft and discuss its importance in the Christian life. We then conclude the year with a class party!

Memory Verses
I use the International Children's Bible (ICB) translation in class. We memorize a different passage each quarter:

First Week: Psalm 139:17-18 (class verse)
Quarter 1: Philippians 2:5-11 (Jesus' Example of Humility)
Quarter 2: Matthew 5:3-12 (The Beatitudes)
Quarter 3: Romans 8:31-39 (God's Everlasting Love)
Quarter 4: Ephesians 6:10-18 (The Armor of God)

Stay Connected!
I do my best to ensure you as parents are connected with what your child is doing and learning in class:

Website: www.ksgrade2.com

Weekly Email Update
Every week, I will send out an email with a summary of what we learned that week, announcements, student point status, and that week's activity sheet and memory verse. If you aren't getting this email, let me know so I can add you to the email list.

Contact
Feel free to contact me at any time via phone, text, or email.

Our goal in Kidstuff is to partner with you, the parents, in training your child to know God, love God, and serve others. I use an army theme in my class not only because it is fun for the kids, but also because it is a good analogy to the Christian's life. Life is a battle between God's truth and Satan's lies. We need to take God's side and submit ourselves to Him as our "Commander-in-Chief." My prayer is that your child (and all of us) will come to know Jesus better, and that what we learn will not stay stuck in our heads, but move to our hearts in praise and hands in ministry. If there is any way we can serve you better in this way, please don't hesitate to contact me.
