Mr. Mulkey's 9:45 Second Grade Kidstuff Class Information
2020-2021

Dear Second Grade Parent,

My name is Jonathan Mulkey, and I am so excited to be your second grader's Kidstuff teacher at 9:45 this year! I have been with North Hill's children's ministry since 2006 and have taught second graders every year.

My class is highly structured around a U.S. Army theme. I borrowed and adapted this theme from my dad, a retired U.S. Army major and Sunday school teacher. Students can earn promotions through the ranks as they accumulate points. They earn points by completing two weekly "missions":

Mission 1: Complete Activity Sheet (3 points)
Each Sunday, a two-sided activity sheet is sent home with students. Students complete this sheet during the week and turn it in the next Sunday. Every sheet is worth 3 points.

Mission 2: Recite Memory Verse (3-6 points)
Stapled to each activity sheet is a memory verse. Students memorize this verse during the week and recite it the next Sunday. Verses are worth 3-6 points depending on length.

Ranks and Promotions
Each student starts out at the rank of Private. They then earn a promotion for every 10 points they accumulate. All the ranks and required points are shown on the last page of this handout. Each week when your child comes to class, they will turn in their activity sheet and recite their memory verse. After class, I tally up their earned points, and if they've earned enough points for a promotion, they will be promoted the next week in class and get to choose a prize from the prize closet! A promotion chart, weekly point chart, and mission completion chart will be emailed to you each week after class so you can track your child's progress.

The following rank milestones earn students special extra prizes:

2nd Lieutenant (100 points)
laminated certificate, super bright flash light

Brigadier General (160 points)
framed certificate, 8x camouflage binoculars

General of the Army (200 points)
premium framed certificate, LEGO set (varies), book (varies), camouflage hat, 5-star pin

Please note that this Army theme/incentive system applies only to my class (9:45). I would urge you to commit the 9:45 time for your child to attend Kidstuff so that they have the continuity of the same teacher, classmates, and class procedures.

Absences
If your child cannot make it to class for any reason, simply scan or take a photo of each page of their completed activity sheet and record an audio or video clip of them reciting their memory verse. You can then email these to jhmulkey@gmail.com or text them to (864) 569-4879. You can also download and print the new activity sheet and memory verse for that week from the weekly email or the class website, www.ksgrade2.com. This way your child will not fall behind in their progress!

Late Work
In order to be fair to students who are diligently completing their activity sheets and memory verses each week, 1 point will be subtracted from any activity sheet or memory verse completed more than 6 weeks after the date it was assigned and 2 points subtracted after more than 12 weeks. If there are extenuating circumstances, please let me know.

Children with Learning Disabilities
If your child has a learning disability that would prevent them from completing the activity sheets and/or reciting the memory verses, PLEASE let me know right away so we can discuss a plan to keep them involved in class while still challenging them at their level. I don't want any child to feel left out or frustrated!

Bible Lessons
The following is a summary of what we'll be learning each quarter:

The Gospel of John (September - March)
We will learn about the person and work of Jesus as presented in the Gospel of John. Each week we will watch a chapter of the movie *The Gospel of John* (Visual Bible International) and discuss that chapter together. Our purpose in this study is precisely the reason why the Apostle John says he wrote his gospel: "that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name" (John 20:30-31 ESV).

The Armor of God (March - May)
We learn about the spiritual armor God has provided for us to live victoriously in spiritual warfare as described in Ephesians 6. We will make each piece of armor as a craft and discuss its importance in the Christian life. We then conclude the year with a class party!

Memory Verses
We memorize four different passages throughout the year (ESV translation). We will practice the verse for the week in class and then students continue to work on memorizing the verse during the week to recite it in class the next Sunday.

First Week: Psalm 139:17-18 (class verse)

1. Philippians 2:5-11 (Jesus' Example of Humility)
2. Matthew 5:3-12 (The Beatitudes)
3. Romans 8:31-39 (God's Everlasting Love)
4. Ephesians 6:10-18 (The Armor of God)

Stay Connected!
I do my best to ensure you as parents are connected with what your child is doing and learning in class:

Weekly Email Update
Every week, I will send out an email with a summary of what we learned that week, announcements, student progress charts, and that week's activity sheet and memory verse. If you aren't getting this email, let me know so I can add you to the email list.

Contact
Feel free to contact me at any time via phone, text, or email.

Our goal in Kidstuff is to partner with you, the parents, in training your child to know God, love God, and serve others. I use an army theme in my class not only because it is fun for the kids, but also because it is a good analogy to the Christian's life. Life is a battle between God's truth and Satan's lies. We need to take God's side and submit ourselves to Him as our "Commander-in-Chief." My prayer is that your child (and all of us) will come to know Jesus better, and that what we learn will not stay stuck in our heads, but move to our hearts in praise and hands in ministry. If there is any way we can serve you better in this way, please don't hesitate to contact me.
