I've heard such encouraging things from some of you about the impact the Armor of God series is having on both your child and your family. Praise God! I can assure you it is affecting me greatly as well! Believe it or not, the activity sheet and memory verse your child was handed today when they left class were the final ones for the year. Next week (May 14) we will be reviewing the Armor of God series, and then the following week (May 21), we will have our class party (details about that next week). Students can still turn in sheets and verses both of these weeks for points and promotions!

## LESSON

We learned what it means to take the sword of the Spirit and used the [story of Jesus' temptations in the wilderness](#) from Luke 4 to illustrate this.

- Taking the sword of the Spirit means both attacking and defending against Satan's lies using God's word (the Bible).

- The Bible is infallible. This means it contains no mistakes and will never fail (Psalm 19:7).
- The Bible is inerrant. This means every single word is true (Proverbs 30:5).
- The Bible is complete. This means it is exactly what God wants us to know - nothing more; nothing less (Revelation 22:18-19).
- The Bible is effective. This means it does what God wants it to do (Isaiah 55:10-11; Hebrews 4:12).
- Jesus quoted from Deuteronomy when Satan tried to tempt Him to doubt or disobey God.

## MEMORY

**"praying at all times in the Spirit, with all prayer and supplication. To that end, keep alert with all perseverance, making supplication for all the saints," (Ephesians 6:18, ESV).**

Supplication is making requests to God on behalf of someone else. We are instructed to always be praying for each other and never give up doing so ("with all perseverance").

## DOCTRINAL OBJECTIVES

This week's doctrinal objective was:

- The leaders of the church are called elders / Elders are humble men who direct God's people

This doctrine were emphasized and illustrated in the Warehouse skit. We had no Art Studio class today. Instead, we reviewed all the doctrinal objectives we've learned this year in class.
