Today we played a Nerf gun review game to review what we've learned in the Armor of God series as well as our doctrinal objectives for the year that we've learned in the Warehouse and Art Studio. It was a lot of fun! There is no activity sheet or memory verse this week. Next week is the final week of Kidstuff until the fall. We will have our class party! Please make every effort to have your child attend class next week, as it's our last class and will be a fun celebration! Details are below.

CLASS PARTY

Next week you will check in your child just like you normally do for Kidstuff. The kids will go to the Warehouse to see a skit as always but then we will return to the classroom to have our class party! Warning: we will be eating a lot of junk food! Here is what's on the menu. If your child cannot have a particular item on this list, please let me know and you're welcome to send a substitute "treat" with them if you want.

FOOD

- Fruit Rollups
- Pringles (various flavors)
- Oreos (original)
- Nutter Butters

- Mini Pretzel Rods

- Fresh bake chocolate cake (chocolate cake + chocolate frosting) in the shape of a shield made by Luke Scaringi. There will also be a dairy-/gluten-free version.

DRINKS
