Dear 2nd Grade Parent,

It was so great to see everyone today! I just wanted to remind you if you haven't already, go to the student progress app on the class website [here](#) to check on your child's progress. Once you pull up your child's info, click on the "Show incomplete/missing missions only" checkbox under Missions to see every activity sheet and verse they either haven't turned in at all or turned in incomplete. You can then click on any of those missions and then click either the thumbnail image of the activity sheet or the text of the memory verse to download/print the activity sheet and/or verse card for that week so your child can work on those for makeup points if they want to! All past missions, lesson videos, and memory verse videos are also at the class website archives page [here](#). Sometimes I have kids express disappointment that they missed the latest video from The Gospel of John DVD or the latest adventure of the animated dog "Tank", so I remind them to ask you to simply pull up that archives page on your phone or computer so they can watch those!

I hope everyone has a faith-filled week as we place our confidence in our sovereign God!

Lesson Summary: John 20

Today we watched Chapter 20 of The Gospel of John on DVD and discussed it afterwards. Here are some of the key points we discussed:

- When Mary Magdalene came to the tomb early Sunday morning, she found the large grave stone rolled away and assumed someone stole Jesus' body.
- Mary tells Peter and John and they also witness the empty tomb, but they too did not understand that Jesus had rose from the dead.
- Two angels appear to Mary and she sees Jesus face to face. She goes to tell the disciples.
- Jesus appears to all of the twelve that night (except Thomas). When they tell Thomas, he does not believe until 8 days later when Jesus appears to them again.
- John 20:30-31 Are our theme verses for the Gospel of John that we memorized at the beginning of the year: "Now Jesus did many other signs in the presence of the disciples, which are not written in this book; but these are written so that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name."

Memory Verse Summary: **Romans 8:36**

As it is written, "For your sake we are being killed all the day long; we are regarded as sheep to be slaughtered."

Quoted from Psalm 44:22. Paul is continuing to reaffirm the reality of God's people facing daily persecution up to and including death, but even death itself cannot separate us from God's love!

Bonus Class Summary: **Inventions | Disappearing Ink**

Using special paper and ink, students wrote a list of specific sins on a piece of

paper and then when heat was applied to the back of the paper, the ink disappeared. This was an object lesson about how Jesus' death on the cross wiped away our sins from God's memory (not that God "forgets" anything in an absent-minded way, of course, but rather that He chooses to not remember them and hold them against us).
