LESSON

We learned what it means to put on the helmet of salvation and used the [story of Saul](#) (who became Paul) from Acts 9 to illustrate this.

- Putting on the helmet of salvation means that we place our hope in our future salvation.
- Salvation has three parts: past, present, and future. Past: We were **justified** when we placed our faith in Jesus and saved from the penalty of sin. Present: We are being **sanctified** as we become more and more like Jesus and are being saved from the power of sin. Future:

We will be **glorified** when we go to heaven and will be saved from the very presence of sin.

- Our sure hope of glorification is the "finish line" that we look towards when Satan tempts us to be discouraged or doubt in the spiritual battle.
- Saul became a Christian and was re-named Paul. He then put on his helmet of salvation and boldly preached the gospel in spite of fierce opposition.

MEMORY

"and take the helmet of salvation, and the sword of the Spirit, which is the word of God," (Ephesians 6:17, ESV).

We are instructed to take the final two pieces of armor.
