

MR. MULKEY'S 2ND GRADE

September 18, 2022

I continue to be encouraged by the GREAT participation of so many students with their weekly missions (activity sheets and memory verses)! And many of you have also taken advantage of email or text to send me your child's work if they have to miss class (or forgot to bring their missions to class), which is awesome.

Just a note about the [student web portal](#). If you look up your child's info on a Sunday before they've come to class, keep in mind the calculations are factoring in the points due that day. So if you looked up their info on Saturday and see they have a perfect total point score, and then you look their info up again on Sunday before they've come to class, you'll notice they no longer have a perfect total point score, and they're also showing as absent for that day. That's because their points and attendance for that day have not been counted yet. These stats of course will be updated after class is over for that day. The front page of the web portal will show the last update time under the name search box so you will know whether the database has been updated yet for the class your child attends that day (10:30 or 5:00).

LESSON

We watched John 2 from the [The Gospel of John](#) DVD. Here are some of the key points we discussed:

- Jesus first sign (miracle) that proved He is the Son of God was when He

turned water into wine at a wedding in Cana. It was a creative act that only God Himself could do.

- Jesus became very angry when He saw how the temple in Jerusalem was being used for commercial purposes instead of prayer and worship. He drove out all the money-changers and sellers of animals. This was a righteous anger rooted in the fact that God was not being given the glory and honor He is due.
- Jesus predicted that He (referring to His body as the "temple") would be killed but raised again by God's power 3 days later.
- Jesus knows what is in the heart of men without anyone having to tell Him.

MEMORY

"All things were made through him, and without him was not any thing made that was made" (John 1:3, ESV).

Jesus, as God, is the Creator of the entire universe.

BONUS CLASS

In Music class today, we sang songs that reminded us about our doctrinal objective focus for this week: God always tells the truth. For example, we sang ["God Always Keeps His Promises"](#).
