

August 21, 2022

It was great to meet your second grader today! We're going to have a fabulous year. I hope all of you have had time to read over the class handbook that I handed you today. You can also download it at any time under the "Links" section of every weekly update.

Please be sure to bookmark the Student Progress Web Portal on your mobile device or computer so you can keep track of your child's progress in class on a weekly basis. This is also where you can download/print any activity sheets or memory verse cards in case your child is absent or loses the ones they were handed in class. A tutorial on how to use it can be found [here](#).

In class, I introduced the students to the US Army theme and all about how they can earn points, promotions, and prizes by completing their weekly "missions": the activity sheet and memory verse.

In Crafts class today, we got to write in "Your word is truth" (Psalm 119:160) in Hebrew and make a scroll containing that text.

[Here's a link to all the student photos I took today.](#) These will be posted on the bulletin board in the back of the classroom next week 😊
