Next Sunday will be the class party! NHC will provide all the food, so there is no need for you to contribute anything. However, if your child has any food allergies that would prevent them from eating some of the foods that will be at the party, feel free to send along a treat with them that they can eat instead! Here is what will be on the menu. Each food represents one of the pieces of armor:

- Fruit Roll Ups ("belt")
- Pringles ("breastplate")
- Nutter Butters ("shoes")
- Oreos ("shield")
- Bugles ("helmet")
- Pretzel Rods ("sword")
- Chocolate Shield-Shaped Cake (compliments of Luke Scaring)

CONGRATULATIONS!

The following students have now earned the highest possible rank: General of the Army (AKA Five General)!!! This is an incredible accomplishment that is a testimony to their diligence, faithfulness, and also your vital support as their parents along the way. I will be contacting you parents this week to arrange to meet with you sometime in the next few weeks to present your child with their special prizes for reaching this rank. I look forward to it!
