

May 22, 2022

We had our class party today! The kids had a great time eating, watching a highlight video from Tank's adventures this year helping us with our memory verses, and also getting to pick end of year prizes. I'm sure going to miss teaching your child next year in Kidstuff, but I'll still see them around in the Kidstuff hallway, Art Studio, and Warehouse each Sunday when Kidstuff resumes in the fall. I've posted pictures and videos from the party below. Also, don't forget about the 5-week summer program named World View this summer! Details are at the end of this update.

World View is an exciting and engaging 5-week summer program for rising 1st-6th graders, where they learn about the geography, people, and missions work of the various continents. The dates are Sundays from June 26 - July 24 at 8:30 AM and 10:30 AM. Students will check in downstairs like they do for Kidstuff, but they will then head upstairs to their unique World View classroom area that is themed after the continent they will be studying! Your child will attend class for the grade they will enter in the fall:

1st Grade - Australia
2nd Grade - Africa
3rd Grade - Latin America
4th Grade - Europe
5th Grade - Asia
6th Grade - Middle East

We hope to see your kids there!
