CONGRATULATIONS!

Our newest 2nd lieutenant: Brady Deegan!

LESSON

Today we played a review game for the gospel of John. Please note that the activity sheet this week is three pages instead of two and worth a total of six points. Next week, we will introduce the Armor of God series!

MEMORY

"For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord." (Romans 8:38-39, ESV).

In case there was still any doubt, Paul concludes this section by adamantly stating that nothing in the entire universe can possibly separate us from God's love in Jesus! This concludes our Romans 8:38-39 memory passage. I look forward to starting our final memory passage, Ephesians 6:10-18, starting next

week, which is also the text of our new lesson series on the Armor of God.

There was no episode of Tank today, in order to make time for our review game. However, we did briefly go over the memory passage in class. It's a long one, but also worth six points! I know these kids can master these last two verses as long as they practice well during the week. Do NOT wait until Saturday or Sunday!

BONUS CLASS / DOCTRINES

This week's doctrine(s):

- God keeps changing believers to be more like Jesus as they grow in the Christian life

Artie, Mona Lisa, and Rags in the Warehouse emphasized this week's doctrine with a fun skit as always!

One of our elders, Matt Nestberg, then led a safety class teaching the kids how to stay safe in three different situations:

1. **If you get separated from your parents in a store, etc.** . . . freeze--then yell for them!
2. **If someone asks you to go somewhere or do something** . . . speak up! "I have to ask my parents"
3. **If you have an "uh-oh" feeling (worried or scared) when someone is talking to you** . . . do not ignore the feeling . . . speak up and tell your parents or another trusted adult
