

Woodlands Freestyle

Dear 2nd grade parent,

Karen Cronin, whose daughter Rose is in my class, wanted me to share the following with you all:

I would love to email the other second grade parents to find out if their kids are going to Woodlands Freestyle at Southside Christian School June 5-9 from 8:30-4:30pm.

Zan and Rose went last year and it was very impactful for them. They were also able to grow church friendships since NHC hosted. It's a long drive for us to Southside, but I think it's worth it! I'd love for Zan (rising 5th grader) and Rose (rising 3rd grader) to be able to grow their North Hills friendships at Woodlands again!

If you're able to email this out to everyone, that would be great! Perhaps there's a carpool opportunity, which allows more time for building those friendships!

So if you want to reach out to Karen, you can email her at

karenculpeppercronin@gmail.com or call/text her at 864-706-4706.

In 2021 and 2022, North Hills hosted Freestyle at our own church campus on Edwards Road. However, the demand for Freestyle in this area has outgrown the capacity of our campus to handle, thus our church will be hosting it at Southside Christian School this summer. The school address is 2211 Woodruff Rd, Simpsonville, SC 29681.

I've heard nothing but wonderful things about Freestyle, and I've had kids at church talk my head off about how much fun they had there. I personally know a boy who placed his faith in Christ at Freestyle last summer, and I know there have been other testimonies of transformed lives as well. So be sure to check out the website linked above or contact Karen for more information or to let her know you're interested in carpooling! We hope your second grader and also their elementary-age siblings will be able to attend this summer!
