**Please note** that the Kidstuff program was running late at 10:30 service, and thus we did not have time to watch Chapter 18 of *The Gospel of John* DVD in that class. So if your child attended at 10:30 this morning, be sure to have them [watch the video](#). We will also watch it in class next week before we talk about the crucifixion (we will NOT be watching the crucifixion scenes from the DVD in class . . . more info on that next week).

## LESSON

We watched John 18 from the [The Gospel of John](#) DVD. Here are some of the key points we discussed:

- As Jesus and the remaining 11 disciples were in the Garden of Gethsemane, Judas arrives with soldiers from the high priest to arrest Jesus.

- Peter attempts to fight those who came to arrest Jesus, but Jesus rebukes him.
- Jesus is brought before Annas and Caiaphas for questioning, but of course there was no need for it, as He had said and done everything openly and not in secret. One of the officers struck Jesus unjustly.
- Just as Jesus had predicted, Peter three times denied he knew Jesus.
- Jesus is brought before Pilate so the Jews can pursue a death sentence for him, but Pilate finds no reason to condemn Him. He offers to instead release Jesus, as the custom is to release one prisoner at the Passover. However, the people instead ask that Barabbas, a criminal, be released instead.

## MEMORY

**"Who is to condemn? Christ Jesus is the one who died—more than that, who was raised—who is at the right hand of God, who indeed is interceding for us." (Romans 8:34, ESV).**

Continuing the thought from verse 33, verse 34 makes it clear that no one can condemn us because Jesus died and rose again for us. He is also continuously praying to the Father on our behalf.

## BONUS CLASS / DOCTRINES

This week's doctrine(s):

- God created people to glorify Himself

In Carpentry class today, the kids made wooden picture frames where they placed a picture illustrating how they can show how great God is (by serving each other and sharing Jesus with the lost)!
