LESSON

We watched John 17 from the [The Gospel of John](#) DVD. Here are some of the key points we discussed:

- Although Matthew 6:9-13 is commonly referred to as "The Lord's Prayer," it's really the disciples' prayer that Jesus was teaching them. Jesus of course would never pray for Himself, "forgive us our debts [sins]," as He

is the sinless Son of God. John 17 contains what can properly be called "The Lord's Prayer". Not only does He pray for the 11 disciples He was with when He prayed this prayer, but for *everyone* who would believe through their word, which includes us!

- Jesus defines eternal life as knowing the Father and the Son (knowing in the sense of a personal relationship).
- Jesus' describes us as ones whom the Father has given to Him.
- Jesus prays that we would be united as one people.
- Jesus expresses His longing that we would be with Him.

MEMORY

"Who shall bring any charge against God's elect? It is God who justifies." (Romans 8:33, ESV).

People and Satan can certainly make charges against God's elect (beliers), but none of those charges stand, because God has justified us through the blood of Jesus. As the previous verses said, "If God is for us, who can be against us?"

BONUS CLASS / DOCTRINES

This week's doctrine(s):

- God created people to glorify Himself

In Flowers class today, the kids got to work in groups to make floral arrangements to express appreciation for some people in our church who are serving the church with their talents for the glory of God.
