LESSON

We watched John 13 from the [The Gospel of John](#) DVD. Here are some of the key points we discussed:

- Unfortunately not all 12 of Jesus' disciples would remain ultimately faithful to Him. Judas Iscariot would betray Him.
 - As Jesus' celebrates the Passover supper with His disciples, He washes their feet. This is a beautiful example of how we are to serve one another. If Jesus, our Master, stooped low to wash our feet, we, His servants, surely ought to wash one another's feet.
 - Jesus predicts that Peter will deny Him three times before the rooster crows.
 - Jesus says that the way people will truly know we are His disciples is by our love for one another.
-

MEMORY

"Therefore God has highly exalted him and bestowed on him the name that is above every name," (Philippians 2:9, ESV).

Because Jesus' obeyed the Father's will, He has been exalted to the highest place and given the name "Lord" (verse 11).

BONUS CLASS / DOCTRINES

In Foods class today, the kids learned about hospitality and serving others. They also got to make a cinnamon roll microwave mug cake. The full recipe to make it from scratch is [here](#). The kids were all provided the ingredients in a cup yesterday and simply mixed them together. They should've brought home that mixture plus the cinnamon topping. [Here](#) is the handout from the Foods team about it that they should've also brought home.
