Child's Progress**

CONGRATULATIONS!

Dylan Petty is our newest 2nd lieutenant!

LESSON

Please note that due to its graphic nature, we did not watch the John 19

portion from *The Gospel of John* DVD in class. I will leave it to your discretion as parents whether to view it with your child. I have both a uncensored and censored version available:

[John 19 Video \(uncensored\)](#)

[John 19 Video \(censored\)](#)

We read John 19. Here are some of the key points we discussed:

- Jesus is savagely flogged with a scourge and is mocked with a purple robe and a crown of thorns.
- In spite of the severe punishment that Pilate ordered for Jesus to appease the crowds, they still insisted that He be crucified.
- Many Old Testament prophecies were exactly fulfilled in Jesus' crucifixion.
- Joseph of Arimathea and Nicodemus place Jesus' body in a tomb.
- Although He had never done a single wrong thing, and could have easily overpowered His tormenters, Jesus followed the Father's plan exactly by dying on the cross in our place so that His perfect, sinless sacrifice would cover our sins and remove God's wrath from us when we place our faith in Him!

MEMORY

"Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or danger, or sword?" (Romans 8:35, ESV).

The answer to this question, of course, will be a resounding "no!" Absolutely no one and nothing can separate us from God's love, not even death itself!

BONUS CLASS / DOCTRINES

This week's doctrine(s):

- Repentance is being sorry for sin and turning from sin to God

In Inventions class, we did an experiment with magnets to illustrate how sin separates us from God just like two magnets facing each other the right way can repel each other and refuse to stick together. However, when we repent from sin and turn to God, it's like two magnets turned the other way that bond tightly together--we are united to God because of Jesus! [Here is the Inventions Team's handout for today.](#)
