**CONGRATULATIONS!**

Brigadier General Brooke Woodby

## LESSON

We learned what it means to put on the shoes of the gospel and used the story of [Philip and the Ethiopian from Acts 8](#) to illustrate this.

- Putting on the shoes of readiness can be thought of in two ways: 1. That we stand firm/confident in the gospel because we know we are at perfect peace with God and He is for us 2. We are ready to share the gospel at any moment with unbelievers.
- It is vital we have the proper shoes for the task at hand. You wouldn't wear tennis shoes to have stability on an ice skating rink, nor would you wear ice skates to run the 100 meter dash!
- Philip demonstrated he was ready and confident to share the gospel when an angel told him where to go. As a result, an Ethiopian man became a believer!

## MEMORY

**"Stand therefore, having fastened on the belt of truth, and having put on the breastplate of righteousness, and, as shoes for your feet, having put**

on the readiness given by the gospel of peace.” (Ephesians 6:14-15, ESV).

Paul now begins to list each vital piece of spiritual armor that we are to put on.
