Gather round ye children come,
Listen to the old, old story
Of the power of death undone
By an infant born of glory
Son of God, Son of Man
Gather 'round, remember now
How creation held its breath
How it let out a sigh
And it filled up the sky with the angels

Son of God, Son of Man

So

Sing out with joy for the brave little boy
Who was God, but He made Himself
nothing
Well, He gave up His pride and He came
here to die
Like a man

Therefore, God exalted Him
To the place of highest praises
And He gave Him a name above every name
That at the very name of Jesus, Son of God

We would
Sing out with joy for the brave little boy
Who was God, but He made Himself
nothing
Well, He gave up His pride and He came
here to die
Like a man

So in heav'n and earth and below
Every knee would bow in worship
And ev'ry tongue would proclaim
That Jesus, He reigns with the angels
So

Sing out with joy for the brave little boy
Who was God, but He made Himself
nothing
Well, He gave up His pride and He came
here to die
Like a man

Gather round ye children come,
Listen to the old, old story
Of the power of death undone
By an infant born of glory
Son of God, Son of Man

O, Come Let Us Adore Him

O, come let us adore Him
O, come let us adore Him
O, come let us adore Him
Christ, the Lord

For He is alone is worthy
For He is alone is worthy
For He is alone is worthy
Christ, the Lord

We'll give him all the glory
We'll give him all the glory
We'll give him all the glory
Christ, the Lord
