We had a LOT of kids this morning (28) and I still need to proof-check my point entries for activity sheets, as there were a LOT turned in (so exciting!). I also had a few sheets that one parent dropped off as they picked up their child which haven't been entered yet. Everything should be up to date on the web portal by tomorrow evening at latest, but feel free to contact me if there are any concerns about your child's points. If your child attended at 5:00, all their points should be up to date already.

LESSON

We watched John 14 from the [The Gospel of John](#) DVD. Here are some of the key points we discussed:

- Jesus comforts His disciples with the fact that He will return again to take them home to be with Him.

- Jesus claims He is the way, the truth, and the life: the only way to the Father.
- Jesus once again claims equality and unity with the Father.
- Jesus promises to send "another Helper": the Holy Spirit.
- Jesus says that if we love Him, we will keep His commandments.

MEMORY

"so that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father." (Philippians 2:10-11, ESV).

There will be no living being that will not eventually bow the knee to Jesus and acknowledge that He is Lord! This concludes our second memory passage (Philippians 2:5-11). We will begin our third passage (Romans 8:31-39) next week!

BONUS CLASS / DOCTRINES

We had no bonus class today, and instead used that extra time to play a Nerf gun review game. Students were divided into two teams and answered questions about our doctrinal objectives as well as review questions about the last few chapters of John we've been studying. After each student answered a question, they got to take a shot at the on-screen target with suction cup darts to see how high they could score. This kids had a lot of fun, and it was a profitable time of review!
