

MR. MULKEY'S 2ND GRADE

November 14, 2021

IMPORTANT REMINDER: Kidstuff will not meet for the next two Sundays (November 21, and November 28), because Anniversary Sunday and the Sunday after Thanksgiving are family worship services. I hope you all have a wonderful Thanksgiving and we'll see everyone back in the Kidstuff hallway on December 5!

Dear 2nd Grade Parent,

Please note that the activity sheet the students were assigned today is worth 6 points instead of the usual 3, because it's a longer, 3 page review activity over John 1-9. But they have an entire 3 weeks to complete this sheet since we won't meet again until December 5.

Lesson Summary: **John 1-9 Review**

Today we played a Nerf gun review game to review both our doctrinal objectives thus far for 1st and 2nd quarter along with questions about the Gospel of John chapters 1-9. I am very encouraged by how much Bible truth the kids are learning and soaking in!

NO LESSON VIDEO

Memory Verse Summary: **John 1:18**

No one has ever seen God; the only God, who is at the Father's side, he has made him known.

Since God is a spirit, we can't see Him. However, we have seen the God-man, Jesus, who has made the Father known to us since He is very God of very God!

This is the last verse of our first memory passage (John 1:1-18). It has been wonderful to commit these precious truths to our heads and hearts these past 10 weeks. When Kidstuff resumes on December 5, we will begin our next memory passage: Philippians 2:5-11.

Bonus Class Summary: **Music Rehearsal**

In case you missed it, the kids and teens will be singing a special number in all three services on December 12! However, your child will only be singing at the service time during which they attend Kidstuff. The Kidstuff team will shepherd them to and from the auditorium. We pray this will be a great blessing to believers and witness to unbelievers during these services. Here again are the handouts and links from Cheryl Greene:
