**Track Your
Child's Progress**

I'm not sure why, but I was not sent the points for the 10:30 class until very late this morning--in fact, I believe it wasn't until after the kids had already left. I've reached out to the sub and the assistant, but have not heard back from either of them to confirm. But my assumption is that no one received their promotion/prize this morning. I'm very sorry about this, but unfortunately since I'm not able to be in the classroom, this is out of my control. The Martins will be back teaching both the 8:30 and 10:30 classes next week, so I'll be sure they make it right! I was also not sent the attendance records, so I will have to contact the children's ministry office to get that info so I can update it in the app. Here are the promotions that were earned at 10:30:

LESSON

We learned what it means to take up the shield of faith and used [the story of Jehoshaphat from 2 Chronicles 20](#) to illustrate this.

- Taking up the shield of faith means we believe (have faith in) God's word instead of Satan's word.
- Jehoshaphat demonstrated taking up the shield of faith when Satan tempted him to fear the great army that was heading towards Judah to destroy them. He immediately went to God in prayer, and by believing God, his enemies were defeated without even having to fight them!
- When we believe God's word over Satan's, we too will be victorious in our battle against sin and will receive comfort and assurance from God in time of fear.

MEMORY

"In all circumstances take up the shield of faith, with which you can extinguish all the flaming darts of the evil one;" (Ephesians 6:16, ESV).

Taking up the shield of faith means believing God instead of Satan. When we believe God's word, any temptations to sin ("flaming darts/arrows") Satan throws our way are immediately extinguished!

DOCTRINAL OBJECTIVES

This weeks doctrinal objectives were:

- Heaven is a real place of unending beauty and joy in the presence of God

These doctrines were emphasized and illustrated in both the Warehouse skit and music class in the Art Studio.
