Dear 2nd Grade Parent,

Remember to bookmark our [class website](#), as this is the "hub" for all the info I send out each week. You can always visit the [archives page](#) to download missions (activity sheet + memory verse) or updates from any week or to watch the lesson or memory verse videos. This is especially useful if your family is out of town one week or your child has to miss class for illness or any other reason (or if they just lose their papers).

## **Lesson Summary: John 2**

Today we watched Chapter 2 of The Gospel of John on DVD and discussed it afterwards. Here are some of the key points we discussed:

- Jesus first sign (miracle) that proved He is the Son of God was when He turned water into wine at a wedding in Cana. It was a creative act that only God Himself could do.
- Jesus became very angry when He saw how the temple in Jerusalem was being used for commercial purposes instead of prayer and worship. He drove out all the money-changers and sellers of animals. This was a righteous anger rooted in the fact that God was not being given the glory and honor He is due.
- Jesus predicted that He (referring to His body as the "temple") would be killed but raised again by God's power 3 days later.
- Jesus knows what is in the heart of men without anyone having to tell Him.
