It was so great to see everyone back in the Kidstuff hallways today! We had a total of 19 promotions today between the 10:30 and 5:00 services. Wow!!! It's clear they weren't slacking off during the break 😊. Incredible work and participation! At this rate, we'll definitely have some milestone 2nd lieutenant promotions before Christmas break.

Reading through your kids' activity sheets today was such a blessing, especially on the "Draw and Write" section where they shared their heart about what God is teaching them from the Gospel of John. Praise God!

## LESSON

We watched John 10 from the [The Gospel of John](#) DVD. Here are some of the key points we discussed:

- When Jesus talks about His "sheep", He of course is not talking about

animals, even though paintings and such picture Jesus with animal sheep as a symbolic illustration of our relationship to Him. He is referring to the human beings whom He has graciously saved and who follow Him.

- If we are truly Jesus' sheep, we will not entertain false teachers who teach contrary to what Jesus has taught us. Instead, we will flee from them, as a sheep flees a stranger who is not their shepherd.
- We can put 100% trust in God as our "good shepherd" to protect, lead, and guide us.
- Once again the people who are not Jesus' sheep try to stone Jesus because He again claims equality with God. Tragically, in spite of all the clear proofs of His divinity, many still rejected His claims.

## MEMORY

**"Have this mind among yourselves, which is yours in Christ Jesus, who, though he was in the form of God, did not count equality with God a thing to be grasped," (Philippians 2:5-6, ESV).**

We have begun our second memory passage for the year: Philippians 2:5-11. In verses 5-6, we are instructed to have the same humble mindset that Jesus had when He gave up the advantages of equality with God to be born as a man.

## BONUS CLASS / DOCTRINES
